

In Cincinnati all Radio Channels are controlled by two large media companies. All stations play the same music and broadcast the same talk radio. Until XM Radio was available, I had no choices on Radio and was left with making the only choice I could, to NOT listen to Radio at all. I now pay for XM Radio services and I respectfully urge you to reject the NAB's petition 04-160. I believe we should support XM's ability to provide the programming that I demand and deserve. I should not be forced to listen to objectionable content or be robbed of the ability to listen to Radio of my choosing.
